

# #READY FOR PURPOSE

## WITH NATALIA KOMIS

Natalia Komis is an intuitive business mentor, creative activator and serial entrepreneur. She helps female entrepreneurs, radical creatives and changemakers struggling with overthinking, overworking and crazy ambition to take action. This gets them out of their head and in front of their soul clients, in order to find freedom in their business and life and feel confident, clear and connected with their true mission and brand.

## THE CHALLENGE

A 5 day challenge to help you prepare to invite and activate your soul's calling, purpose and mission into reality.
