YOUR MISSION

What are your top 5 words that resonate with you who you are?

What are your top 5 words that resonate with what you want to do?

Make a sentence to describe who you are and what you do out of these words here :

What are your key values? What values do you bring to the world?

YOUR MISSION

Identifying the Major Components of Your Vision/Mission:

WHO:

Who do you want to serve, work with and be around?

WHAT:

What is it that you do? How do you help people? What skills do you bring to the table? **WHAT DO YOU LOVE?**

WHEN:

When do you want to be working? Are you working during the day and playing during the night? Are you playing during the day and working at night? Think about the schedule that you want.

YOUR MISSION

Identifying the Major Components of Your Vision/Mission:

WHERE:

Where do you want to live? Where do you work? Where are the people and communities you'd like to serve/impact? Where do you bring your mission to life?

WHY:

Why are you doing what you're doing? Evaluate the reasoning behind all of your actions. What is it about the work you want to do - why is it calling you in this direction?

YOUR MISSION

Ask yourself: How can I contribute? Write down your answer here:

Take the top 3-5 key skills out of the work you've done so far and make this your key focus. Write them down here:

YOUR MISSION

Start to look for projects, organisations, people you know and opportunities that relate to your skills, what you want to do and to the locations you want to be in.

Do you have any in mind already? Write them down here:

What about them inspires you?

"What can you learn from them?"

What can you do differently?

Is there a specific person you'd love to be connected with? Why?
